

United States Department of Agriculture
National Institute of Food and Agriculture

Stone Child College Beginning Farmer and Rancher Resource and Technical Assistance Project

WEDNESDAY
November 8th, 2017
5:30 to 6:30 PM
STONE CHILD COLLEGE

Montana Department of Agriculture will offer information about the Junior Agriculture, and Rural Assistance loan programs.

All individuals interested in expanding or starting an agricultural products based business are encouraged to make contact with the RTAP project. Individuals such as youth, beginning farmers and ranchers, veterans, women, minorities and groups that have been historically underserved in the agricultural industry are encouraged to participate.

Please contact Mary Ruth St. Pierre at Stone Child College 406-395-4875 ext 224
Aaron Aquino at Stone Child College 406-395-4875 ext 220
