Stone Child College is currently accepting applications for a full-time teacher education faculty member. We are seeking an enthusiastic and dedicated educator who exhibits a high degree of professionalism, a strong commitment to the empowerment of students, and demonstrates the ability to motivate and educate in an engaging manner using culturally relevant pedagogy.

**POSITION'S ESSENTIAL DUTIES:** Facilitate student learning, provide effective instruction, and perform evaluation of student learning for all assigned classes, using each course's learning outcomes as a guide. The basic instructional assignment is a fifteen credit load per semester for a 9- month academic year. Each semester's instructional load will be assigned by the department head. Specific teaching responsibilities include:

- Teach education courses in the elementary education degree program including methodology courses in social studies, reading, science, creative arts, etc., as well as, curriculum planning courses, coordinate and supervise clinical experiences and student teaching with local schools.
- Development of course curriculum, course handouts, lectures, labs and presentations.
- Participation in program level learning assessment through articulating learning outcomes, choosing and administering measures, evaluating student performance, and suggesting changes to improve student learning.
- Work with other faculty and administration in developing program curriculum, standards and policies including reviewing and participating in textbook selection process where appropriate.
- Schedule, supervise, debrief, and evaluate students in clinical practice and student teaching.
- Be available to students via email, phone, or personal conference.
- Assign grades and maintain course/student records in accordance with FERPA regulations and submit grades and records by established deadlines.
- Meet all classes and other scheduled responsibilities such as office hours and meetings at the designated time.

**POSITION'S OTHER DUTIES:** Student advising, on-campus office hours, professional development activities, peer reviews, committee assignments, attend departmental and college-wide meetings where appropriate or as required, other duties as assigned by the position's supervisor.

**REQUIREMENTS:** Masters Degree in education with experience teaching at the elementary education level or experience teaching in a college preservice teacher preparation program.

**SALARY:** Per salary schedule: Masters Degree, no experience, starts at \$30,693
